ASIA-TALLOIRES NETWORK OF ENGAGED UNIVERSITIES

ATNEU is a regional network dedicated to drive trans-disciplinary social responsibility initiatives between higher education institutions and diverse stakeholders, to promote greater university-industry-community collaborations that enhance the quality of life for Asian communities.

ATNEU provides a platform for the Asian regional chapter of the Talloires Network, a global association of over 190 institutions in 59 countries committed to strengthening the civic roles and social responsibilities of higher education globally.

ATNEU is hosted at the Deputy Vice-Chancellor (Industry and Community)'s office at Universiti Kebangsaan Malaysia (The National University of Malaysia).

GOALS:

- Identify the shared challenges and concerns of the regional community.
- Create sustainable, knowledge-driven partnerships to address the community's challenges.
- Implement capacity building initiatives to share best practices and develop competencies for impactful engagement.
- Devise mechanisms to evaluate the social impact of engagement.
- Reward and recognise regional engagement initiatives.
- Identify collaborative research funding and resources for community engagement programs.
- Develop sustainable voluntary and youth engagement programs for community development.
